CONFERENCE FOR LATTER-DAY SAINT SCOUTERS

MARCH 25, 2023 at SLCC CONF. CENTER - SANDY, UT

Vanguard Vision 2023 is a one-day power-packed conference for Latter-day Saint Scouting leaders, parents, and our friends. Together, we can strengthen each other in this new era of Scouting. 8 sessions will cover a variety of topics like: secrets of successful Scout units organized by Latter-day Saint Scouters, recruiting new families to your unit, utilizing digital media to recruit & communicate to your unit, helping your Scouts with today's youth issues, etc.

We invite **YOU** to join us at the largest gathering of Latter-day Saint Scouters of the year. Come connect and make new friends, learn how to strengthen your Scouting program, be inspired, and have fun!
